

ADARA

ALL ABOUT GAMING

- Mechanical keyboard optimized for comfort, quietness and durability, offers a premium gaming experience
- internal architecture specifically designed to achieve smooth key presses, without noise and vibration, and without altering tactile response or affecting contact stability (Gasket-Mount design with contact plate mounting on silicone gaskets, anti-vibration silicone foil for PCB, EVA foam for noise attenuation)
- factory lubricated mechanical contacts and stabilisers
- hot-swappable design
- BONUS in the package: 20 HaiMu Ocean Blue custom contacts (tactile press, validated for 100 million presses)
- illuminated PBT double shot keys with Cherry profile
- lightweight, resilient material housing
- height adjustable in three steps
- detachable, fabric-protected, aviator-style USB-C cable
- Spacebar key with special AQIRYS profile

TECHNICAL DATA

Keyboard type:	Mechanical
Keyboard size:	1800
Switch type:	HaiMu Linear Pink
Switch rating:	100 million clicks
Switch feedback:	Linear
Switch travel:	1.5 - 2mm
Switch force:	45 gF
Anti-Ghosting:	100% (N-Key rollover)
Number of keys:	95
Keycap:	Cherry profile, Backlit, Double Shot PBT
Multimedia functions:	Yes
On-board memory:	Yes
Polling Rate:	1000 Hz
Layout:	US
Illumination:	Dynamic Per-Key RGB
Connectivity:	Wired
Cable type:	Detachable USB Type-C, coiled braided, aviator-style
Cable Length:	2 m
Software:	Yes (Windows 7 and up)
Platform:	PC/Mac & Consoles
Size:	386.54 x 139.92 x 44.7 mm
Weight:	880 g
Color:	White/Black
EAN:	5949161381427
Pieces/Cartron:	10
